**Honey, do you realize how much you mean to me?
You give of yourself so much and so unselfishly.**

**You care and share and are always there
Whenever I am in need.**

**I just want you to remember
What a wonderful husband you are to me**

**I am very thankful for the way you are,
As I realize it is the only way you could be.**

**I just want you to remember
I respect you so greatly
And I thank you
For being the greatest man in the world in every way.**

I will always love you!
