

A vibrant, multi-colored bird with a crest is perched on a thin, brown branch. The bird's feathers are a mix of green, yellow, red, and blue. Below the bird, there are several bright orange berries on a green leafy branch. The background is a bright blue sky filled with large, fluffy white clouds.

If I Could Catch a Rainbow

**If I could catch a rainbow
I would do it just for you
And share with you its beauty
On the days you're feeling blue**

**If I could build a mountain
You call your very own
A place to find serenity
A place to be alone**

**If I could take your troubles
I would toss them in the sea
But all these things I'm finding
Are Impossible for me**

**I cannot build a mountain
Or catch a rainbow fair
But let me be what I know best
A friend that's always there**
